

# SolShare case study

Folia Apartments by Mirvac is nestled within Tullamore, Doncaster's most prestigious community, surrounded by established parkland and abundant amenity. Committed to creating sustainable living environments for residents to enjoy, Mirvac have implemented forefront technology in Folia allowing the Prestige and Penthouse Apartment residents to share a single set of solar panels and distribute solar power in a manner that optimises the financial benefit to all connected residences.

## Tullamore, Doncaster, Victoria
